

# BARN

## Bainbridge Artisan Resource Network

### Writers' Open Studio

- You might want to know if a character sketch is descriptive. You might want a second opinion on your plot or to know if your setting can be visualized. Maybe you want someone to read a very short passage from your work and critique it. Come in Mondays from 4 to 7 pm to brainstorm with or seek advice from a monitor about your writing project.
- Writers' Open Studio is available for BARN members only. Please register for this free opportunity because only six participants may be present.
- Please check the Writers' Events Calendar to make sure Open Studio has not been cancelled.
